

GenieTown Fee Schedule

GenieTown is an online marketplace for local services. The GenieTown marketplace generates successful service transactions by connecting providers with consumers in a dependable and informed manner within a community based experience. On GenieTown, leads are free and reviews are free. GenieTown's Service Provide Agreement allows us to charge a reasonable referral fee to the service provider only after a bid has been accepted.

GenieTown has adopted a simplified fee structure that is based on the size of the job as follows:

Bid Amount	Transaction Fee
Any	No Fee

This Fee Schedule is effective immediately. The old Fee Schedule may be used until 15 April 2008.

The GenieTown Fee Schedule is subject to change with 30 days notice. See the Service Provider Agreement for more details.
